Hello CSSI members, friends, and supporters:

*“And be not conformed to this world: but be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect, will of God.”* (Romans 12:2, emphasis added)

As you read this letter, vaccinations against the Covid-19 virus are well under way in Canada, and travel and social restrictions are being relaxed, somewhat. Our society should be on its way to getting back to normal, or maybe more accurately, a “new normal.” But what does “normal” look like in our modern world?

For several years, I have witnessed what our secular society promotes as “normal” and have been content to be abnormal. Just ponder what is considered “normal” in our world today. It is “normal” to have tried drugs and had several sexual partners before early adulthood. It is “normal” to be gay/lesbian, or even to pick your own gender. It is “normal” to support murdering unborn babies. It is . . . well, you get the idea.

More and more, the world today is looking like “the days of Noah” (Luke 17:26), where “every imagination of the thoughts of [mankind’s] heart was only evil continually.” (Genesis 6:5) Governmental laws are increasingly being changed to not only allow sinful behavior, but to promote and protect activities that mankind has decided are acceptable or “normal,” but which are contrary to our Creator’s divine, immutable, and absolute laws.

So what is to be our role as Bible believing, born again Christians in these days? The Bible says that evil, corruption, and godlessness would increase as Christ’s return draws closer. (Matthew 24) We need to persevere in resisting the influences of the world and what is considered normal, and continue to proclaim the truth of God’s Word, God’s love, and His offer of salvation to anyone who seeks His forgiveness. I pray that when Christ returns (soon?), He **will** find “faith on the earth” (Luke 18:8) and all of us doing our part in God’s perfect plan.

**SPRING MEETING.** Because of the continuing Covid-19 uncertainties, our spring Board Meeting has been delayed until May 1. We are hoping that by then things will have opened up enough to hold a face-to-face meeting here at Kenaston, but if not, we will again hold a virtual meeting on Zoom. We will try to inform you of details by e-mail closer to the date. If you have e-mail but have not been receiving our occasional e-mails (not more than a few per year!), please send an e-mail to us at <gbmiller@sasktel.net> and ask to be added to our e-mail list.

Continued over.

**CREATION CAMP 2021.** Another reason for delaying our spring Board meeting is the hope that by May 1, we can make an **informed decision** as to whether or not we will **be able** to hold our Creation Camp. We are trusting and praying that we can go ahead with it on July 26-31, 2021 as planned, and that you will be planning to attend with us. **Richard Fangrad** (with CMI-Canada) is booked as our keynote speaker. Because of all the uncertainties, we have not yet printed camp brochures and we are not yet taking firm registrations. However, if you are planning to attend and want to reserve a space for you and your family, you can contact Garry by email <gbmiller@sasktel.net>, phone (306) 252-2842, or by mail, and indicate your intentions along with your family size. When a final decision is made and we have brochures available, we will contact you and ask you to send us a formal registration along with the fee deposit. Because facility rental, food costs, etc. continue to rise, fees will be up some from our last camp in 2019 but we have tried to keep the increases as low as possible. Contact us if you want to know what the fees will be this year - provided we can go ahead with the camp.

Sincerely,

Keith Miller, President CSSI
