

## Creation Prayer Requests for April 2025. Thank you for praying!

**Tuesday, April 1** - This day often shows how easily some people can be “fooled.” It truly seems that many people have been greatly deceived into looking to man and his ideas to solve our huge problems. Pray that God will, by His Spirit, reveal His Truth to multitudes in these dire days.

**Wednesday, April 2** - In 2022 the Creation Research Society (CRS) suffered a significant setback with the untimely death of Dr. Kevin Anderson who was Lab Director at their Van Andel Creation Research Center in Glendale, AZ. God graciously led Dr. Joel Brown to fill that important position. Pray God’s blessing and protection on Dr. Brown.

**Thursday, April 3** - Pray that Keith Miller (President of Creation Science of Saskatchewan Inc. - CSSI) would be more motivated in these “last days” to proclaim the whole truth of God’s Word to this sinful world.

**Friday, April 4** - Pray for Creation Resources Manitoba (CRM) as it transitions its ministry. The Southern Manitoba Prophecy Conference committee has decided to continue the creation ministry began years ago by (the late) Alex and Velma Scharf in southern Manitoba. This is an answer to Velma’s prayers. Pray that many will come to know the Creator and Redeemer before the Rapture.

**Saturday, April 5** - Pray that God would powerfully work through the books and DVDs given away by the Creation Science Association of British Columbia (CreationBC) at the BC Mission Fest 2025.

**Sunday, April 6** - Pray that pastors will be able to clearly, and under the anointing of the Holy Spirit, present the Gospel message so that many hurting, sinful souls will come to saving faith in the shed blood of Jesus Christ.

**Monday, April 7** - Ask God to continue to strengthen and direct Dr. Margaret Helder, President of the Creation Science Association of Alberta (CSAA) as she leads the ministry there.

**Tuesday, April 8** - Pray that God will supply the workers and financial support needed by Answers-in-Genesis-Canada (AiG-C) to carry on all the work God has for them to do.

**Wednesday, April 9** - Pray for the faculty and students at Bible Colleges and Seminaries as they finish up the school year and move into summer ministry or jobs.

**Thursday, April 10** - Pray for strength and wisdom for Laurence Tisdall, President of the Association Création et Science (ACS) in Québec.

**Friday, April 11** - Praise God for the unity among Creation Ministries International (CMI) offices globally - for the recent meeting of all 6 CEO’s from CMI offices globally - for initiatives now in place to grow CMI’s impact today and in the future.

**Saturday, April 12** - Although sometimes it may feel useless, we must continue to pray for those in political authority in our world. Pray both for personal salvation and that they would fulfill God’s plan as we hurtle ever closer to Christ’s return and final judgment.

**Sunday, April 13 - PALM SUNDAY.** As we reflect back on that first Palm Sunday, we like to think that we would gladly be part of that rejoicing crowd; and hopefully we would. But let us never forget that only a few days later, many of those same people were calling for the crucifixion of that same Saviour.

**Monday, April 14** - Remember in prayer Dennis Kraushaar, first vice-president of CSSI.

**Tuesday, April 15** - Thank God for the great ministry of the Institute for Creation Research (ICR) in Texas. Pray God’s continued blessing, guidance, and protection on that organization and its work.

**Wednesday, April 16** - Praise God for the many years of effective ministry by Roger and Myrna Oakland and their Understand the Times (UTT) organization. Pray that God will continue to multiply the fruits of all involved there.

**Thursday, April 17** - Pray for the ongoing ministry of the Citizens for Origins Research and Education (CORE) group in the Ottawa, Ontario area.

**Friday, April 18 - GOOD FRIDAY.** On this, the most important day on the Christian calendar, let us ever be mindful of the horrendous price Christ paid on the Cross of Calvary because of our sins!

**Saturday, April 19** - Vance Nelson with Creation Truth Ministries (CTM) says, “Praise God that the funds have come in to complete the graphic design and to print the new book: *Untold Secrets of Planet Earth: Banished from Babel*.

**Sunday, April 20 - EASTER SUNDAY.** Oh the tremendous victory over sin and death that Christ won as He arose from the grave to live forever at the Father’s right hand interceding for all who put their trust in Him!

**Monday, April 21** - Pray for CreationBC director Rob Perry as he helps to plan creation events on Vancouver Island.

**Tuesday, April 22** - Pray that all hindrances will be removed from the on-line outreach being planned by Steve & Jan Lockert (second VP CSSI) and that many people will be drawn to the Saviour as a result.

**Wednesday, April 23** - Pray for all those in CSAA who produce and distribute their excellent *Creation Science Dialogue* magazine. May it be used to touch many lives for God’s glory.

**Thursday, April 24** - Pray that those who are graduating and receiving degrees would find employment and be bold in sharing their faith.

**Friday, April 25** - Uphold in prayer the Creation Museum and the Ark Encounter facilities operated by AiG in Kentucky that they would bring much glory to our Creator.

**Saturday, April 26** - Pray that ACS’ participation in the Québec Christian home schooling conference today will strengthen the families’ faith in their Creator and encourage them in their relationship with Him.

**Sunday, April 27** - “Father in Heaven, we thank you for the good work of ICR, CMI, and AiG. May your Holy Spirit guide their research and the continued production of effective print and media publications.”

**Monday, April 28** - Praise God for the talents of the CMI-C staff who work to disseminate the message of the accuracy of the Bible, especially Genesis.

**Tuesday, April 29** - Pray God’s continuing blessing and protection on the rapidly growing ministry of David Rives and his Wonders Center & Science Museum in Dickson, Tennessee.

**Wednesday, April 30** - Thank God for the growing volume of great Creation materials available today. Pray that He will lead searching people to the very resources that will meet their deepest needs.
