

## **Creation Prayer Requests for April 2021.** Thank you for praying.

- Thursday, April 1 - APRIL FOOLS' DAY.** He is no fool who stands firm on the written Word of our great Creator, Lord, and Saviour, Jesus Christ!
- Friday, April 2 - GOOD FRIDAY.** May people spend some time today quietly reflecting on the great price the Son of God paid in our place on Calvary and, by faith, apply the cleansing of His blood to their own lives.
- Saturday, April 3 -** "Dear God in these unsettled times as Biblical Truth and Christian moral values are increasingly marginalized, we pray that a spirit of repentance would sweep across our land followed by a time of great revival."
- Sunday, April 4 - EASTER SUNDAY.** This day, when we remember the power of God demonstrated by His raising of Christ from the grave, is a day of great rejoicing and celebration. May our hearts be challenged and encouraged by this reality.
- Monday, April 5 -** The Creation Science Association of British Columbia (CSABC) hosted online meetings with Dr. Kevin Anderson at the end of March. Pray that people will remember and think about what they heard and use that knowledge to encourage others to see how science confirms Scripture.
- Tuesday, April 6 -** Pray that Keith Miller (President of Creation Science of Saskatchewan Inc. - CSSI) would always be ready to give a reason for the hope that only the true believers in Jesus Christ share.
- Wednesday, April 7 -** Pray that creation ministries involved in creating Christian apologetics resources would be sensitive to the Lord's leading in what subjects should be addressed and the types of media to produce.
- Thursday, April 8 -** Praise the Lord for more free time that authors now have to research and write new materials. Pray for Vance Nelson as one of these.
- Friday, April 9 -** Thank God for Dr. Margaret Helder who has led the Creation Science Association of Alberta (CSAA) for many years. Pray God's blessing and protection on her and her service.
- Saturday, April 10 -** Calvin Smith heads up Answers in Genesis-Canada (AiG-C). Pray God's wisdom and direction for him in this heavy responsibility.
- Sunday, April 11 -** Pray for all the students who have been attending Bible Colleges and Seminaries as they finish up the semester, write their exams, and move into summer jobs OR full-time ministry.
- Monday, April 12 -** Pray for Alex & Velma Scharf who lead the work of Creation Resources Manitoba (CRM).
- Tuesday, April 13 -** Pray that more French speaking Christians will become active members of the Association Création et Science (ACS).

- Friday, April 16 -** David Kadylak (CSABC) is giving a talk at the Heritage Home Learners Christian Homeschool group today. Ask God that the talk will be coherent with memorable points to encourage children to share with others how we are in a special place in this universe.
- Saturday, April 17 -** Uphold in prayer Matt Miles, Dr. G. Thomas Sharp, and the others working at the Creation Truth Foundation in Oklahoma.
- Sunday, April 18 -** Pray for your Pastor(s) and others that they will not be led astray by the many false, extra-biblical teachings prevalent in these days.
- Monday, April 19 -** Pray God's continued protection and blessing on the work of Understand the Times (UTT) and Roger & Myrna Oakland.
- Tuesday, April 20 -** Pray that the Institute for Creation Research (ICR), under the relatively new leadership of Dr. Randy Guliuza, will remain steadfast to the absolute authority of God's written Word in their theology, scientific research, and communication efforts.
- Wednesday, April 21 -** The Creation Research Society (CRS) is moving its headquarters and research facility onto the campus of a Christian university in Arizona. Pray that this will result in greater effectiveness and outreach opportunities.
- Thursday, April 22 - EARTH DAY.** Christians have a Biblical mandate to care for the earth and to use its resources carefully and wisely. However, pray that they will NOT fall into the subtle trap (that the world offers) of starting to worship the creation rather than the Creator Who alone is to be worshiped!
- Friday, April 23 -** Remember in prayer Nathan Siemens (2<sup>nd</sup> VP CSSI) that he will know the things God has for him to do and will be able to do them.
- Saturday, April 24 -** CRM, like most other ministries, has been restricted in what they can do for outreach. However, they continue to sponsor Creation radio programs on various radio stations in Manitoba. Pray that God will use this to reach many needy people.
- Sunday, April 25 -** Pray for wisdom and help for Christians (in particular pastors) who must choose whether to obey God or to obey men. Pray for those who have been put in prison for choosing to obey a Higher Authority.
- Monday, April 26 -** Pray for a more normal time where creation speakers again have the potential for more speaking engagements.
- Tuesday, April 27 -** Pray God's blessing on the production and distribution of AiG's *Answers* magazine.
- Wednesday, April 28 -** CSAA continues to produce and distribute their *Dialogue* magazine. Pray God's blessing and provisions for this outreach.
- Thursday, April 29 -** CSSI's spring Board meeting is set for Saturday, May 1, whether in person at Kenaston or by ZOOM. Ask God to reveal His will in all matters, especially regarding the summer creation camp plans.
- Friday, April 30 -** Pray for Quebec's online home schooling conference that will begin tomorrow and last for a week. May the families be blessed by Jonathan Nicol's and Laurence Tisdall's workshops. (ACS)
