

## Creation Prayer Requests for August 2024. Thank you for praying!

**Thursday, August 1** - Pray that the CSSI billboard project will have success and grow into more signs being posted all around the province.

**Friday, August 2** - The CSSI Creation Family Camp runs today through Wednesday. Pray for God's anointing and leading on all who are working at the camp. Pray that each camper will be encouraged and drawn closer to God in these days.

**Saturday, August 3** - Ask God for guidance as CreationBC directors prepare for the Fall by planning events and booking speakers, that God's Word would be honoured and God would be glorified.

**Sunday, August 4** - Pray that many more pastors will recognize the foundational importance of Biblical Creation and that they will use more Creation resources.

**Monday, August 5 - CIVIC HOLIDAY.** Pray for spiritual as well as physical refreshing as families spend extra time together today.

**Tuesday, August 6** - Pray for God's anointing and wisdom on Ken Ham and the leadership team at AiG-USA in Kentucky that God would be glorified through their efforts.

**Wednesday, August 7** - Pray for God's protection, guidance and blessing upon Jean-François Lupien. (ACS)

**Thursday, August 8** - Pray for Shirley Dahlgren (CSSI) that she may distribute Creation materials.

**Friday, August 9** - Pray that more people would find CMI's social media platforms and be equipped with faith-building information through them.

**Saturday, August 10** - Pray for all those in CSAA who are involved in producing and distributing their Creation Science Dialogue magazine.

**Sunday, August 11** - Most Sunday Schools are likely taking a break during these summer months. Pray that the SS teachers and students alike will be refreshed and excited about returning to their classrooms next month.

**Monday, August 12** - Thank the Lord for the life and ministry of Alex Scharf as the head of CRM. May his spiritual legacy live on in his family and associates.

**Tuesday, August 13** - There are numerous smaller Creation museums spread across North America (and around the world). Pray that God will use each of these to challenge and encourage the many people who visit them. Pray for those (often volunteers) who operate these facilities.

**Wednesday, August 14** - Most of the media today is operating from a secular humanistic perspective and is thus opposed to any Christian/creationist viewpoints. Pray that somehow God will raise up strong Christian reporters to bring a little balance in this whole arena.

**Thursday, August 15** - Continue to ask God to give strength and wisdom to Dr. Randy Guliuzza as he leads the work and ministry of ICR in Texas.

**Friday, August 16** - Thank God for Nathan Siemens who has served on the CSSI Board for several years. Tomorrow he and his bride will be entering a new phase of life and moving out of province. Pray God's special blessing upon them as they serve Him in the days ahead.

**Saturday, August 17** - Pray that the ACS annual members reunion, held today, will be a successful event for God's glory.

**Sunday, August 18** - Pray that as churches and pastors plan their fall programing, they will include more emphasis on the foundational teaching of Biblical Special Creation.

**Monday, August 19** - Pray that many more people will be led to watch and be changed by the growing quantity of creation resources available on line from Answers in Genesis.

**Tuesday, August 20** - "We ask that CreationBC-supplied resources would be a blessing to home schoolers and Christian schools in this new school year, and that the faith of students would be strengthened as a result."

**Wednesday, August 21** - Pray for CMI-C's video production team as they work on adding advanced 3D computer animations to some episodes.

**Thursday, August 22** - "Lord, be with the CSAA executive as they plan for a possible fall outreach event."

**Friday, August 23** - Pray that David Rives would be sensitive to God's leading in what areas of ministry to focus on in his small but growing ministry at the Wonders Center & Science Museum in Tennessee.

**Saturday, August 24** - Pray that more people will be reached by the Creation radio programs sponsored by CRM on various stations in Manitoba.

**Sunday, August 25** - Pray for all Bible College and Seminary faculty as they are preparing for the fall semester and the return of students.

**Monday, August 26** - Pray God's blessing on Calvin Erlendson (CSSI) as he lives for the Lord and shares the evidences for Creation and Salvation.

**Tuesday, August 27** - Pray that Christian ministries large and small around the world would exhibit divine wisdom in the types of media produced for effective outreach in this ever-changing world.

**Wednesday, August 28** - Continue to pray for the many Christian students that will be attending secular schools this fall. Pray for spiritual, emotional, and mental protection against the spiritually fatal lies of naturalism being taught there.

**Thursday, August 29** - Pray that many more people will be drawn by the Holy Spirit to saving faith in Jesus Christ and His blood shed on Calvary.

**Friday, August 30** - Pray that the unbelieving world would not be completely spiritually blinded to the scientific truths falsifying the popular naturalistic evolution narrative and that point to the truth of God's Word.

**Saturday, August 31** - Ask God to continue to bless and use Dr. Gary and Mary Parker in their service to Him.
