

## Creation Prayer Requests for August 2023. Thank you for praying!

**Tuesday, August 1** - May **Vance & Korelei Nelson** with Creation Truth Ministries (CTM) continue to experience God's presence, strength, and wisdom in their busy summer ministry opportunities.

**Wednesday, August 2** - Pray for CMI-C's TV production team as they work on adding advanced 3D computer animations to some episodes. This is dramatically increasing the amount of time to finish episodes of Creation Magazine LIVE but the motion graphics will aid in teaching important truths about creation.

**Thursday, August 3** - Ask God to guide ACS in its efforts to revive its conferences and to make them available through streaming and USB memory sticks.

**Friday, August 4** - Pray that AiG's **ANSWERS** magazine will be helpful in encouraging Christians in their faith walk and in challenging unbelievers to seriously consider the claims of Christ on their lives.

**Saturday, August 5** - Pray that God's presence will go with each person as they leave the CSSI camp today. Pray especially for **Mike Oard** and others assisting as he ministers in Saskatoon tomorrow at Fairhaven Gospel Chapel (AM) and Erindale Alliance Church (PM).

**Sunday, August 6** - Pray that God would lift the spiritual blindness that inhibits so many in our world today from seeing the truth of God's creation, His offer of forgiveness and salvation, and hope for the eternal future.

**Monday, August 7 - CIVIC HOLIDAY.** Pray that families will spend part of today and other holiday time this summer focusing on things of eternal value and not just the fleeting things of this world.

**Tuesday, August 8** - Pray for opportunities for sharing Creation for **Shirley Dahlgren** (CSSI).

**Wednesday, August 9** - Pray for the planning and that God would be honoured in the upcoming CreationBC October meetings with **Spike Psarris**.

**Thursday, August 10** - Creation Resources Manitoba hopes to be at the Morden Corn & Apple Festival again August 24-26. Pray for strength and for others to come alongside to help out. Pray that the Lord will be glorified.

**Friday, August 11** - Pray for new and younger workers to step up and share the work load of CSAA.

**Saturday, August 12** - May God direct open and seeking souls to the many excellent creation resources available on line (many for free).

**Sunday, August 13** - Pray that mission organizations and missionaries will recognize the foundational importance of Biblical creation to the whole Gospel message.

**Monday, August 14** - It seems most world leaders today simply want what they want rather than seeking God's perfect plan for people and the nations. Pray God will overrule to accomplish His purposes.

**Tuesday, August 15** - Ask God to continue blessing the orphan and widow support ministry of UTT's Bryce Homes program.

**Wednesday, August 16** - **Calvin Erlendson** (CSSI) says, "Pray that each day the glories of God's creation will be praised, whether they be trees, wheat fields, mountains, or any of the animals or birds He created."

**Thursday, August 17** - Thank God for the growing amount of excellent creation resources available in today's world, much of it free on the internet. Pray that the Holy Spirit will use some of these to convict skeptics and draw them to saving faith in the Lord Jesus Christ.

**Friday, August 18** - Praise God for the many ministry opportunities the **Vance Nelsons** (CTM) have had this summer. Pray that people will continue to be influenced for good through their faithful service.

**Saturday, August 19** - Thank God for the birth of **Rebecca**, daughter of **François Garceau** and his wife, **Karen**. May she grow up to live a life that honors Him. (ACS)

**Sunday, August 20** - Pray for your local pastor(s), that they would stay true to the preaching/teaching of the whole of God's Word including origins, true doctrine, and the future.

**Monday, August 21** - Pray for the effective distribution of ICR's many excellent printed and A/V materials.

**Tuesday, August 22** - Ask God to give **David Lashley** wisdom when ordering new books and videos for the CreationBC resource centre.

**Wednesday, August 23** - Pray for teachers as they will soon be returning to classrooms.

**Thursday, August 24** - Thank God for **Rudi Fast's** many years of faithful service to his Lord as well as to CSSI.

**Friday, August 25** - Pray for CMI-C's Super Conference (Aug 26-Sep 1) that attendees would acquire a greater appreciation for the accuracy of Scripture as they are exposed to the latest scientific discoveries.

**Saturday, August 26** - Pray that more people will step up to help cover the cost of sponsoring Creation radio programs in Manitoba. (CRM)

**Sunday, August 27** - "While statistics show that young people more than any other demographic are suffering greatly from society's rebellion against God, we pray that they might turn to Jesus for the solutions that only He can provide."

**Monday, August 28** - Thank God for those who work behind the scenes to help further the ministry of CSAA and other small creation organizations.

**Tuesday, August 29** - Pray that God will open many doors of opportunity for the growing number of creation speakers who are willing and able to share their knowledge of creation and the Creator.

**Wednesday, August 30** - CSSI is seriously looking for some new directors. Pray that God will be preparing the hearts of His choosing for this area of service and that they will be brought to the attention of the current leadership.

**Thursday, August 31** - Ask for wisdom and success in creating the planned new video teaching series by AiG-C as well as planned apologetics online curriculum.
