

Creation Prayer Requests for August 2020. Thank you for praying!

Saturday, August 1 - Pray for God's direction and provision for the Creation Research Society (CRS) and its personnel as they research and teach on scientific creation.

Sunday, August 2 - Many Christian and creation ministries use the media and internet to reach out to non-believers. Pray God will bless these projects and use them to draw many into saving faith in the Lord Jesus Christ.

Monday, August 3 - FAMILY DAY. In many provinces today is a holiday set aside to allow families to spend quality time together. Pray that various activities will not distract from but will facilitate that objective.

Tuesday, August 4 - Pray that the strange situation the world is in with Covid-19 will cause more people to look to the Lord, and realize He is our help at all times.

Wednesday, August 5 - When countries and their leadership turn their backs on God and His ways (like Canada today), they soon drift into sin and foolishness. Pray for revival in these days starting with us.

Thursday, August 6 - Pray for the CRM personnel who will man their booth at the Morden Corn and Apple Festival later this month - if it proceeds as usual.

Friday, August 7 - Pray for **Denis Dreves** who serves as the event coordinator of CSABC, that he and the other directors will find new, effective ways to communicate the Creation message at this difficult time.

Saturday, August 8 - Pray for stability and safety for the various Creation ministries in North America and around the world, in this time of government restrictions and social unrest.

Sunday, August 9 - Ask God to allow the Discerning the Times Prophecy Conference to again be held in Saskatoon, SK. Ask Him to give wisdom and direction to the committee organizing and leading this event.

Monday, August 10 - Pray that **Shirley Dahlgren** (CSSI) will have opportunities to share Creation materials and information with many.

Tuesday, August 11 - Pray for **Vance Nelson** (CTM) and his latest book project. Some of his research travels have been delayed but pray that they may soon go ahead for God's honor.

Wednesday, August 12 - Ask God to guide the homeschooling parents who participated in the workshops that Laurence Tisdall (CSAQ) gave in June about the solar system, so that they will use their new knowledge while teaching their children.

Thursday, August 13 - Pray for the production of brand new video content for 3 shows AiG-C is producing and publishing soon: GREAT Conversations (Gospel, Relevance, Evangelism, Apologetics, Training), CT Scan (Critical Thinking with **Patricia Engler**), and Creation Basics. Pray that the Lord will use the content of these programs to equip many in their walk and witness for Jesus.

Friday, August 14 - Pray that the CSAA leadership will have wisdom to know how to proceed with planning for their fall Creation Weekend conference.

Saturday, August 15 - Pray for the leaders of the nations of the world that in these days of great turmoil and uncertainty, they would realize they need to look to our Creator God for the wisdom and direction they need to rule well.

Sunday, August 16 - Pray for Christian families that have had summer camps closed and perhaps other plans cancelled due to pandemic restrictions. Pray for other opportunities to worship the God of creation and to share Christ with the lost souls they encounter.

Monday, August 17 - Pray that CMI resources for purchase (even during the lockdown) and for free, would circulate through the church, building up believers in the truth.

Tuesday, August 18 - Praise be to God for the wonderful work at ICR revealing evidence from around the globe which demonstrates an increasingly robust scientific model of flood geology pointing to the Genesis Flood. As it was in the days of Noah, today we pray that hearts and minds will repent and turn to Jesus, the Ark of our Salvation.

Wednesday, August 19 - Pray God's encouragement on **Calvin Erendson** in his work for CSSI and his daily testimony for his Lord.

Saturday, August 22 - Pray for CORE's participation in the distribution of *Pearls in Paradise*, a creation devotional book by **Bruce Malone** and **Dr. Carl Baugh** new to Canada.

Sunday, August 23 - Pray for youth pastors and workers to have wisdom from God as they try to get back to more 'normal' programming and activities.

Monday, August 24 - Ask God that the planned meetings with **Mike Oard**, who is expected to visit and speak in October, will be able to go ahead without problems (travel and other). (CSABC)

Tuesday, August 25 - Pray for Christian parents, that they seek wisdom in raising children in these troubled times. May eternal values take precedence over earthly ones as they set priorities.

Wednesday, August 26 - Pray that **Julien Perreault's** (CSAQ) web site will be useful in bringing new people to recognize their Creator.

Thursday, August 27 - Pray that Christian young people who recently graduated from High School will pray and seek God's will for their lives.

Monday, August 31 - Pray for continued financial support for creation and Christian ministries in the months ahead as Canadians slowly return to work and back to regular incomes.
