Wednesday, December 11 - Pray for CRM that they will have wisdom from the Lord as to what to do regarding their creation ministry going forward.

Thursday, December 12 - Pray for wisdom and strength for Christians in the healthcare arena who are being "forced" to do things they cannot morally agree with. They need boldness to stand for what is RIGHT!

Friday, December 13 - Pray that Aaron Miller will know what he can and should do in support of CSSI.

Saturday, December 14 - Pray for wisdom for children so they might be able to recognize and reject false ideas taught to them at school, and that they will share and ask parents questions regarding these issues.

Sunday, December 15 - Pray that the Citizens for Origins Research and Education (CORE) organization in the Ottawa, Ontario area will know how to use their time and resources to the fullest extent possible.

Monday, December 16 - Pray that the book, video, and internet resources of ICR will have an ever increasing circle of influence in this world of error and darkness.

Tuesday, December 17 - Pray for individuals in churches struggling with God creating recently. Pray that God would connect them with information to help them understand Biblical creation. Pray that this would lead to a love of God's Word and an increased desire to study it. (CMI-C)

Wednesday, December 18 - Ask God for ideas to generate interest in the mostly-unused 247 DVD lending library hosted by CreationBC.

Thursday, December 19 - Thank God for the many faithful people who have served on the Boards of small ministries like CSSI over the years. Pray that God will raise up new servants to fill the positions left by those who have had to retire or who have moved on to Glory.

Friday, December 20 - It is an interesting exercise to occasionally spend your entire prayer time simply thanking and praising God without asking for anything.

Saturday, December 21 - Pray that more and more people will be drawn to saving faith and encouraged in their walk with Christ through AiG's *Answers* magazine.

Sunday, December 22 - "Wherefore, as by one man sin entered into the world, and death by sin; and so death passed upon all men, for that all have sinned." (Romans 5:12) Pray that more people, especially Christians, will realize that you cannot have millions of years of death, disease, and suffering before the original sin.

Monday, December 23 - Pray that Dennis Siemens (CSSI) will have wisdom and strength to fulfill the opportunities God places before him.

Tuesday, December 24 - Pray for Vance Nelson (CTM) along with his wife, Korelei, as they plan to fly to New Zealand where Vance will speak at CMI's Super Conference. Pray for safety: flight leaves January 5th and returns January 27th.

Wednesday, December 25 - CHRISTMAS DAY.

As we remember the birth of the Lord Jesus Christ, may we always be mindful that this event is important ONLY because it made possible His substitutional death for our sins and His power-displaying resurrection.

Thursday, December 26 - BOXING DAY. Don't allow yourself to get "boxed in" by the concerns and affairs of this world's fleeting existence.

Friday, December 27 - CRM is very thankful to the Lord for all the people who supported the ministry and touched their hearts. They met so many wonderful people in the family of God! What a blessing!

Saturday, December 28 - Pray that the many great creation resources available in various formats today will be used by God to change the minds and hearts of many people.

Sunday, December 29 - Ask God to protect the children of His ministers, and to help them persevere on His narrow path. (ACS)

Monday, December 30 - Pray that Roger Oakland's many excellent resources will continue to be circulated and used by God for His glory.

Tuesday, December 31 - As the Lord tarries and we enter a new year, pray that we all will shine the Light of the gospel into the darkness in our communities and world. Always remember that the One we have with us is greater than anyone/anything else!! (I John 4:4)
