

Creation Prayer Requests for February 2025. Thank you for praying!

Saturday, February 1 - As both CMI-C and AIG-C organize Biblical creation lectures and events throughout Canada, pray for safety in travel, and that these events would be successful according to God's measure, not man's.

Sunday, February 2 - Pray that Youth Pastors and other youth workers will be able to effectively help their young people to dig deeply into Biblical truths (including Creation) and to make these a foundational part of their lives.

Monday, February 3 - Ask God to give wisdom, strength, and commitment to Garry Miller (CSSI sec./treas.) to serve Him as he is called to do.

Tuesday, February 4 - Pray for clear thinking and endurance as CreationBC directors build a database containing all the bar-code scans of all the creation-related books and videos in their resource centre inventory.

Wednesday, February 5 - Ask God to guide ACS in their desire to reach the French-speaking world outside of Québec and Canada and to direct them as a door seems to be opening in Africa.

Thursday, February 6 - Pray that the people of Canada would open their hearts and minds to the Word of God and that this would bring about revival in our country.

Friday, February 7 - Never underestimate the influence of the media in today's world. Pray that more people will recognize and reject the direction most of the media is pushing them.

Saturday, February 8 - Pray that God would raise up the people of His choosing to "take up the torch" and carry on the ministry of CRM.

Sunday, February 9 - CREATION SUNDAY. Pray that many Pastors and churches will use this day (or some other Sunday) to share the importance of Biblical Creation as the foundation of the Christian faith.

Monday, February 10 - Pray that teachers will not get caught up in promoting the world's anti-Christian agenda but will stand firm on traditional moral values.

Tuesday, February 11 - Pray for the timely printing and distribution of Vance Nelson's latest book on the Tower of Babel.

Wednesday, February 12 - Praise God for the phenomenal success of CMI's recent focus on social media platforms to communicate the Biblical Creation message to 'digital natives.' Pray that more digital natives would be impacted by the faith-building information CMI now shares on these platforms.

Thursday, February 13 - Pray for Debbie Alspach, a relatively recent addition to the CSSI Board.

Friday, February 14 - VALENTINES DAY. Why do we seem to need constant reminders to grow daily in our love for God and for one another? May this day help us all to do so!

Saturday, February 15 - Pray for the police and military personnel as they risk their lives in the protection of our society.

Sunday, February 16 - Pray for opportunities for you to share your creation resources. Share your books, DVDs; leave *Creation* or *Answers* magazines in waiting rooms; share links to articles or videos from creation websites on social media, etc.

Monday, February 17 - FAMILY DAY. Many jurisdictions are designating this day as a time to celebrate and reinforce the importance of the family as the foundational unit of a strong society. Pray that this might include a Biblical understanding of what the family is meant to be.

Tuesday, February 18 - Pray for the ministry of David Rives and his WONDERS CENTER & SCIENCE MUSEUM located in Dickson, Tennessee, along with their printed, A/V, and internet resources.

Wednesday, February 19 - Pray for an opportunity for Laurence Tisdall (ACS President) to participate in a creation/evolution debate.

Thursday, February 20 - Publications like *Acts and Facts* (from ICR) and other creation magazines are great resources. Pray that these creation materials will encourage many hearts and strengthen their Christian walk.

Friday, February 21 - Pray that God would give Curtis Fast success in building tools for managing the CreationBC membership details that would be easily maintainable and accessible to all of the directors.

Saturday, February 22 - Pray that adequate financial support will continue to the Bryce Homes ministry of UTT so that widows and orphans in various countries can be reached and supported.

Sunday, February 23 - Pray for Israel. Pray for wisdom in assessing appropriate strategy and when to de-escalate active action against its enemies.

Monday, February 24 - Pray for Shirley Dahlgren (CSSI) as she continues to promote creationism and the Christian faith.

Tuesday, February 25 - Pray God's blessing on the continuing broadcast of creation programs on various radio stations in Manitoba that believers will be encouraged and unbelievers challenged to consider the claims of Christ.

Wednesday, February 26 - Pray for wisdom and encouragement for the members of CSAA who operate their Resource Center distributing great creation materials.

Thursday, February 27 - Thank God for the many wonderful years of ministry by Dr. Gary & Mary Parker. Pray His continued blessing on them.

Friday, February 28 - The Saskatchewan Home Based Educators conference is being held in Regina, SK today and tomorrow. Pray for the speakers, vendors, and all attendees.
