

## **Creation Prayer Requests for February 2021.** Thank you for praying.

- Monday, February 1** - Pray God's blessing on the Creation Truth Foundation and those serving under it, including **Matt Miles** and **Dr. G. Thomas Sharp**.
- Tuesday, February 2** - Due to Covid-19, Friends of Israel has postponed their tours to Israel this year. Pray that FOI would receive the support it needs to continue promoting and supporting Israel during these difficult times.
- Wednesday, February 3** - Pray that research and writing for Vance Nelson's new hardcover book (in the 'Untold Secrets of Planet Earth' series) will still move forward at a good pace despite hindrances caused by the restrictions in place due to the virus.
- Thursday, February 4** - Ask God to guide **Jonathan Nicol** (ACS) as he writes a booklet on the topic of information.
- Friday, February 5** - Pray for those politicians who are bravely standing against harmful legislation. May God give them wisdom and courage to be strong.
- Saturday, February 6** - Pray for people watching the Canadian-produced TV show Creation Magazine LIVE! via TV broadcasters around the world, that non-believers would consider Christ.
- Sunday, February 7** - As Covid-19 has affected our world in ways we could never have imagined, pray that God will use this worldwide phenomenon for His honor and purposes.
- Monday, February 8** - Remember **Shirley Dahlgren** (CSSI) and her family in prayer today.
- Tuesday, February 9** - Pray for **Ed Barber** (CSABC) who is still fighting Leukemia. Ask the Lord for wisdom on how to deal with it and for peace and trust in Him, no matter what happens.
- Wednesday, February 10** - Pray that we may get a reprieve from the Covid-19 virus and also a return to reasonableness and sanity on the part of our political leaders. (CRM)
- Thursday, February 11** - Pray for CSAA as they evaluate how to reprint **Jerry Bergman's** new book *Wonderful and Bizarre Life Forms in Creation*.
- Friday, February 12** - Most of the media today is very anti-moral and anti-Christian. Pray that somehow men and women of strong Christian faith would be able to infiltrate this realm and have a balancing affect.
- Saturday, February 13** - Unfortunately, some groups are promoting tomorrow as "Darwin Sunday." Pray that many churches and pastors will instead use it (or any more suitable Sunday) to promote Biblical and scientific Creation as the sacred Scriptures teach.
- Sunday, February 14** - **VALENTINE'S DAY**. Pray that people will realize what true Agape LOVE is and start living it out in their daily lives.
- Monday, February 15** - Pray that our judicial system and its leaders will realize the dire need to return to the unchanging standards of God revealed in His written WORD.
- Tuesday, February 16** - With the Covid-19 issues, AiG and AiG-C put much emphasis on video outreach in 2020. They ask prayer that those who watch these will be faith-enriched and emboldened to live for Christ.
- Wednesday, February 17** - Pray God's anointing on the several scientists at ICR who are researching, writing, and speaking for God's glory in our needy world.
- Thursday, February 18** - Pray for the efforts of **Calvin Erendson** (CSSI) as he distributes tracts and creation materials.
- Friday, February 19** - Pray that the Saskatchewan Home Based Educators' Convention will be able to go ahead today and tomorrow. Pray for the attendees, presenters, and vendors (likely including CSSI) there.
- Saturday, February 20** - Pray for a successful launching of ACS's new web site.
- Sunday, February 21** - Many churches are in need of pastoral leadership in these days. Ask God to burden those of His choosing to answer the 'call' and seek out where He would have them serve.
- Monday, February 22** - Pray that the message of accountability to our Creator and salvation through Christ's finished work may continue to go out loud and clear. (CRM)
- Tuesday, February 23** - Pray for the continued production of CMI-C's teaching videos during Covid, that the faith of many people would be encouraged through the information presented.
- Wednesday, February 24** - Pray that God will reveal Himself to many students whether they are learning at home, in Christian institutions, or public facilities.
- Thursday, February 25** - Pray that the CSAA website ([www.create.ab.ca](http://www.create.ab.ca)) will continue to be well maintained, providing good resources for many.
- Friday, February 26** - **Steve Lockert** (CSSI) expresses the following prayer, suitable for any of us with children, "Lord Jesus we ask you to bless our children and grandchildren with a strong and deep faith in You and the TRUTH of your Holy Word."
- Saturday, February 27** - Pray for **Barb Churcher** (CSABC) and her creation meetings, that God would open up churches soon so that these in-person meetings can be held again.
- Sunday, February 28** - "Almighty God we ask your blessing on ICR, AiG, and CMI for the good work that they do to give glory to You and the Lord Jesus as Creator, Saviour, and Lord."
