

Creation Prayer Requests for July 2020. Thank you for praying!

Wednesday, July 1 - CANADA DAY. Thank God for the bountiful blessings He has poured on our great nation through the years. Pray that our nation's leaders and people will be convicted of the need to humble ourselves before our Creator and seek His will and ways once again.

Thursday, July 2 - Pray that **Ken Ham's** virtual Sunday morning address to participating Canadian churches on June 28 titled 'Canada; Why the Catastrophic Spiritual and Moral Change?' will have had a significant impact. Pray that many churches would request Ken to speak and that many people would be emboldened to stand on the authority of God's word and be motivated to get equipped to share their faith more frequently and effectively. (Answers in Genesis-Canada, AiG-C)

Friday, July 3 - Pray that **Vance & Korelei Nelson** with Creation Truth Ministries (CTM) will find the God ordained opportunities to minister in the weeks ahead.

Saturday, July 4 - Since their AGM couldn't go ahead as planned in June, The Creation Science Association of British Columbia (CSABC) is hoping to reschedule the event in July. Pray for guidance as they make plans to facilitate the AGM in times like these.

Sunday, July 5 - Pray that Pastors everywhere will find (or make) time to relax and receive God's refreshing in these 'holiday months.'

Monday, July 6 - Pray for **Keith Miller** in his various responsibilities with Creation Science of Saskatchewan Inc. (CSSI), his church, and his work.

Thursday, July 9 - Uphold in prayer **Dr. Margaret Helder**, President of the Creation Science Association of Alberta (CSAA), in her leadership role with that ministry.

Friday, July 10 - Pray for **Alex & Velma Scharf** as they lead the work of Creation Resources Manitoba (CRM).

Sunday, July 12 - Many (perhaps most) summer camping programs have been forced to cancel this summer because of the Covid-19 situation. Some are turning to on-line formats to continue their important Godly influence. Pray that God will truly be glorified in many lives despite all these changes.

Monday, July 13 - Pray for the Creation Ministries International (CMI) staff as they work separately in their homes; for good communication between staff and for efficiency despite not working in the same office.

Tuesday, July 14 - The Enemy of our souls seems very busy in these days stirring hatred and unrest in people's lives. Pray for grace and safety for the men and women whose commitment it is to uphold the law and provide for our protection.

Wednesday, July 15 - Uphold **Dennis Kraushaar** (1st VP CSSI) in prayer for his bold witness for the Lord.

Thursday, July 16 - Ask God to give wisdom and direction to the Board of Directors at the Institute for Creation Research (ICR) in Texas as they seek God's provision of a new CEO.

Friday, July 17 - Remember in prayer **Matt Miles, Dr. Thomas Sharp**, and others serving with the Creation Truth Foundation in Oklahoma.

Saturday, July 18 - Pray for the Creation Science Association of Québec's (CSAQ's) annual reunion, that will be held online today. May the Lord guide the discussions between the members and the decisions that will be made, and may He encourage more members to get involved.

Sunday, July 19 - Pray that in these uncertain times, Christians would be able to share the genuine hope and peace that only Jesus of Nazareth can give this hurting world.

Monday, July 20 - Pray that the Covid-19 pandemic will cause many people to believe in Jesus and follow Him.

Tuesday, July 21 - Ask the Lord for wisdom for **Haslin Trachuk** as she looks to serve CSABC as their new Treasurer and for a smooth transition from **George Pearce** who had been managing the finances in the past.

Wednesday, July 22 - Citizens for Origins Research and Education (CORE) in the Ottawa area says, "Our treasurer, **Alan Montgomery**, started treatments for prostate cancer in June. Join us as we hold him up in prayer."

Thursday, July 23 - AiG is one of many ministries that involves much contact with people. The virus threatens to undermine their mission including travel through airports and other crowded venues. Pray for health and safety for their speakers.

Friday, July 24 - Pray God's blessing on **Nathan Siemens** (2nd VP CSSI).

Saturday, July 25 - Thank God for **Roger Oakland** and his Understand the Times (UTT) ministry. May God continue to bless and use Roger and Myrna in their retirement years for His glory.

Sunday, July 26 - Thank God for professors like **Dr. Peter Barber** at Nipawin Bible College (and the many others) who believe and teach special creation as revealed in the Holy Bible. Pray that other Christian professors who have compromised with the secular teaching of evolutionism will recognize their error and return to the Truth of God's Word.

Monday, July 27 - Pray that if CRM is to continue sponsoring "Science, Scripture, and Salvation" on Manitoba radio stations, that they will receive the needed financial support for the same.

Tuesday, July 28 - Pray for CSAA's production and distribution of their *Creation Science Dialogue* magazine.

Thursday, July 30 - Pray that a lot of people will watch **Jonathan Nicol's** (CSAQ) new video on radiometric dating and be touched by it.

Friday, July 31 - Ask for wisdom and strength from on high for **Garry Miller** for as long as he is to continue in his responsibilities with CSSI.
