

Creation Prayer Requests for June 2021. Thank you for praying.

Tuesday, June 1 - Pray that the CRM leadership will be sensitive to every door of opportunity the Lord opens to them.

Wednesday, June 2 - Pray that Garry & Barbara Miller (CSSI) will have the health, strength, and wisdom needed to carry on the work God has given them to do.

Thursday, June 3 - The Alberta Home Education Association is planning their convention for Red Deer the next two days. May God bless everyone involved, including creation association vendors and speakers.

Friday, June 4 - Pray for people watching the Canadian-produced TV show Creation Magazine LIVE via TV broadcasters around the world; that believers would be encouraged, and non-believers would consider the claims of Christ.

Saturday, June 5 - Pray that the research and publication activities of the Creation Research Society will gain the attention and interest of some scientists working in the secular arena.

Sunday, June 6 - Pray that Christians worldwide would be obedient, in whatever time we have left, to help prepare the world for Christ's return.

Monday, June 7 - Pray that the largely anti-Christian influence of most of the media today will somehow be replaced with a more God-honoring message.

Tuesday, June 8 - Thank the Lord for Karl Trachuk and his commitment to CSABC, especially in his role as secretary, and his heart to reach more people with resources on Biblical creation.

Wednesday, June 9 - Pray that Jonathan Nicol's (ACS) new animation video will be successful in opening eyes and touching hearts.

Thursday, June 10 - Ask God to encourage Don Hamm & family (CSSI) as they continue to live for the Lord Jesus Christ.

Friday, June 11 - Remember those who are sick during this "pandemic" as they are more often alone. Sickness is one of the curses of the fall of man, but thank Jesus for salvation.

Saturday, June 12 - Thank God for the orphan support work of Bryce Homes International (and UTT) in several countries around the world. Pray God's protection and strength on the many workers directing this work in the various countries.

Sunday, June 13 - Pray God's protection on pastors, missionaries, and all others who are on the front lines in spreading and defending the Truth of God and His Word, the Bible.

Monday, June 14 - Pray for the effectiveness of *Acts & Facts* and *Days of Praise* produced and widely distributed by ICR.

Tuesday, June 15 - Pray for all those in political (and medical) authority that they would come to saving faith in the one true Biblical God, so that they would receive and exercise wisdom in their responsibilities.

Wednesday, June 16 - Pray God's blessing on Ike Thiessen and others working with EYM.

Thursday, June 17 - Pray for the Lord's direction for the research and promotional activities of Steve Lockert (CSSI) in order to effectively share how all of nature reveals the Glory of God as Creator.

Saturday, June 19 - May God raise up new and younger workers to help carry on the important work of CSAA in Alberta.

Sunday, June 20 - FATHER'S DAY. Thank God for godly fathers. Pray that many more fathers will assume their Biblical responsibilities to train their children in the things of God.

Monday, June 21 - Ask God to guide David Kadylak (CSABC) on how to reach and equip parents so that they can be prepared to educate their children, and that the children will then be ready for whatever they face when they grow older and are exposed to many non-biblical ideas.

Tuesday, June 22 - Pray God's blessing on Ken Ham and the other leaders at AiG.

Wednesday, June 23 - "Father in Heaven we pray Your blessing and much good fruit from the research and promotional work of ICR, AIG and CMI, and CSSI."

Friday, June 25 - Pray for all the smaller creation groups around the world that they might each be effective in the local work God has called them to do in sharing His Truth.

Saturday, June 26 - Pray that the sight of the growing idolatry in our land today will lead us to speak out more boldly for our Creator, like it did for Paul in Acts 17:16-17.

Sunday, June 27 - Pray again that Christian summer camps will be able to be held this summer and that plans and workers for the same will fall into place.

Monday, June 28 - Uphold Dennis Siemens & family (CSSI) in prayer for God's strength and protection in His service.

Tuesday, June 29 - Pray that God will open the minds of young people to the truth of the Holy Bible.

Wednesday, June 30 - "If my people, which are called by My Name, will humble themselves, and pray, and seek My face, and turn from their wicked ways; then I will hear from heaven, and will forgive their sin, and will heal their land." (II Chron. 7:14)
