

## **Creation Prayer Requests for March 2024. Thank you for praying!**

**Friday, March 1** - Pray for the CSAA personnel.

**Saturday, March 2** - Pray for God's protection and guidance upon **Roxan Lemire** (ACS) and his family.

**Sunday, March 3** - Praise be to God that more and more people recognize that a spiritual battle is taking place planet wide. Pray that many would be open to Jesus and His Holy Word in order to become equipped to spread the Truth, Love, Mercy and Justice of Almighty God to all who have ears to hear. Lord Jesus, we pray as you taught us, "Thy will be done on earth as it is in heaven."

**Monday, March 4** - Pray that many Christians would be able to utilize the growing opportunities to personally experience the land where biblical history took place. Pray that these experiences would bolster their faith in the true God and His Word.

**Tuesday, March 5** - Pray for **Aaron Miller** and his responsibilities with CSSI.

**Wednesday, March 6** - Pray for the CRM personnel.

**Thursday, March 7** - Pray the Lord's blessing and guidance on AiG-C's plans for this year's Answers Boot Camp for Youth.

**Friday, March 8** - Pray for the management of the CSABC Resource Centre that suitable resources are purchased and that the right tools are found to help manage all the stock.

**Saturday, March 9** - Pray that God would give **Ian Juby** renewed enthusiasm and wisdom as he works with CORE.

**Sunday, March 10** - "Lord, send a revival and start the work in me."

**Monday, March 11** - Pray for the production and effective utilization of ICR's *Days of Praise* (devotional booklet) and *Acts & Facts* magazine.

**Tuesday, March 12** - Pray for God's comfort and protection on the multitudes around the world suffering and in danger because of the various wars being waged today.

**Wednesday, March 13** - Thank God for the scientific research based on a Biblical world view being done at ICR. Pray that as these findings are shared with many people, it will encourage Christians in their faith and challenge others to trust the Saviour.

**Thursday, March 14** - Pray for those who have answered God's call to missionary service that they would have His strength to raise support, learn new languages, and adjust to different cultures to share His Truth with those who have not yet heard of His great love and His offer of salvation.

**Friday, March 15** - **Steve Lockert** (CSSI) says, "Given the abundance of excellent information from organizations such as CMI, ICR, AIG, and many others, I pray for the guidance of the Holy Spirit to be directed to the most pertinent material in order to learn from it and share with others the Truth of Creation and Salvation through Jesus." This is a good prayer for all of us.

**Saturday, March 16** - Ask God to guide and direct all those involved in governance at the local level including the municipal, educational, and health care realms.

**Sunday, March 17** - **St. PATRICK'S DAY**. As the missionary known as St. Patrick had a burden for the people of Ireland, so should we have a burden for the lost souls of this world who are bound for Hell and don't know it.

**Monday, March 18** - Pray for **Laurence Tisdall**, President of ACS.

**Tuesday, March 19** - Pray for the resources distributed by CSAA.

**Wednesday, March 20** - Ask God to give special wisdom and anointing to **Calvin Smith** as he writes and records his many teaching videos for AiG.

**Thursday, March 21** - Ask God for opportunities where CSABC director, **Rob Perry**, can reach out to churches on Vancouver Island.

**Friday, March 22** - Pray for financial support for CRM's sponsorship of Creation radio programs in Manitoba.

**Saturday, March 23** - Pray for opportunities for you to share your creation resources. (Share your books or DVDs; share links to articles or videos from creation.com on social media, etc.)

**Sunday, March 24** - **PALM SUNDAY**. In these final days leading up to the most important days on the Christian calendar, EASTER, may we deliberately TAKE TIME to stop and reflect on His great love for us and what this all means to us and our eternal future.

**Monday, March 25** - Pray for individuals in churches struggling with God creating recently. Pray that God would connect them with information to help them understand Biblical creation. Pray that this would lead to a love of God's Word and an increased desire to study it. (CMI-C)

**Tuesday, March 26** - Ask God to continue blessing **Dennis Siemens** as he serves CSSI in his semi-retirement.

**Wednesday, March 27** - Pray for the volunteers and workers at the Creation Research Society.

**Thursday, March 28** - Remember **Michael Oard** in prayer as he continues his field research, prolific writing, and speaking ministry.

**Friday, March 29** - **GOOD FRIDAY**. How can this day, when we remember that God, the Son, was nailed to a cross and left to die there, be considered a "good" day? It is because He **willingly** submitted to that horrible cruelty to pay the penalty for **our sins** so we can, by faith, receive forgiveness for our sin and the promise of eternal life in His presence.

**Saturday, March 30** - Pray for the Discerning the Times Conference to be held in Saskatoon on April 19-20, 2024.

**Sunday, March 31** - **EASTER SUNDAY**. The death of Christ was essential that we might receive the forgiveness for our sins. His resurrection was equally essential that we might experience victory over our sinful flesh and the hope of eternity with Him in Heaven.

**Rejoice in this truth daily!**
