

## **Creation Prayer Requests for September 2025.** Thank you for praying!

**Monday, September 1 - LABOUR DAY.** Let us labour NOT primarily for the things of this perishing world but for that which is of infinite value, the eternal souls of men, women, and children.

**Tuesday, September 2** - Many creation organizations are establishing a growing presence on social media. Pray that God by His Holy Spirit will use this to reach many (especially younger) lives with His great love!

**Wednesday, September 3** - Ask God to place His healing touch on **Roger Oakland** (UTT) who is experiencing some health issues in his retirement years.

**Thursday, September 4** - Sources of essential truth seem to be getting fewer and harder to find in our world today. Pray for parents of young children as they struggle to avoid error and teach truth to the young ones entrusted to their care.

**Friday, September 5** - Ask God to continue to bless and encourage **Calvin Erlendson** in his service to CSSI and his Lord.

**Saturday, September 6** - Pray for God's blessing on CreationBC's newest director, **Johanna Warkentin**, as she helps to arrange creation speakers and venues.

**Sunday, September 7** - Ask God to give special wisdom and grace to youth pastors and workers as they seek to lay the solid "Biblical Creation" foundation in the lives of the young people they work with.

**Monday, September 8** - Pray for the *Creation* magazine production team at CMI-Australia, in their 48th year of producing a magazine that has affected thousands of lives.

**Tuesday, September 9** - Pray for the *Answers* and *Answers for Kids* magazine production team at AiG-USA as they continue producing magazines that affect many lives.

**Wednesday, September 10** - Pray for those pastors who are preaching truth that they would not be weary in well doing, and that they would keep on keeping on!

**Thursday, September 11** - Pray for **Harry Nibourg** as he runs the Big Valley Creation Science museum that God would open the eyes, minds & hearts of the people coming through the museum and draw them unto Himself.

**Friday, September 12** - Thank God for the many scientists of faith who do research and publish Creation resources at ICR in Texas. Pray that God will keep and guide them in their efforts to honor Him.

**Saturday, September 13** - Ask God to guide ACS as it begins the process of translating a second creationist textbook for French-speaking home schooling families.

**Sunday, September 14** - *For the invisible things of Him from the creation of the world are clearly seen, being understood by the things that are made, even His eternal power and Godhead; so that they are without excuse.* (Romans 1:20) Even the "invisible things" of this world declare the glory of God. May we do likewise.

**Monday, September 15** - Pray for **Don Law** (CSSI) as he continues his efforts to get more creation billboard signs before the public.

**Tuesday, September 16** - Ask God to bless and guide **Vance Nelson** (CTM) as he plans future projects and ministry.

**Wednesday, September 17** - Much volunteer time and effort goes into supporting the work of the Creation Research Society. Pray God's blessing on each one involved in this area of ministry.

**Thursday, September 18** - **Velma Scharf** with CRM says, "Thank the Lord for the good news of the Gospel and pray that Canada will continue to allow it to go out freely."

**Friday, September 19** - Ask for peace between Canada and the USA so that CreationBC can continue to import American-produced creation resources at reasonable cost.

**Saturday, September 20** - Pray for **John Feakes** and his CARE Winnipeg, Christian apologetics ministry, including a small Bible Evidences museum in his church.

**Sunday, September 21** - Pray for CMI's **Matt Bondy** as he speaks today in both Hatfield Point and Titusville, NB.

**Monday, September 22** - Continue to pray for Christian organizations, that they would receive the support they need for ministry and that they would stay true to the whole of God's Word.

**Tuesday, September 23** - Pray that some new supporters and workers will be raised up for the CORE group.

**Wednesday, September 24** - Give thanks for Creation speakers from organizations like ICR, CMI, AiG, and others. Pray God's blessing and protection on each of these individuals.

**Thursday, September 25** - Thank God for the many years of dedicated service **Shirley Dahlgren** has given to CSSI and her Lord. As declining health means she will be leaving the Board this fall, ask God to continue to watch over her, bless her, and use her in His service.

**Friday, September 26** - CSSI, like many Christian ministries, is losing some of its faithful workers. Ask God to bring on board new helpers, whether young energetic bodies, or perhaps those who are entering retirement and would have more time to help out for several years - as the Lord terries!

**Saturday, September 27** - Pray that **Dr. Margaret Helder's** book, *Royal Tyrrell Museum Tour Guide*, would give confidence to young creationists.

**Sunday, September 28** - Pray for CMI's **Dr. Nathanael King** as he speaks in Kelowna, BC today.

**Monday, September 29** - "Help us, Lord, to shine Your light into the darkness around us in the corner where You have placed us!" (CRM)

**Tuesday, September 30** - Today, simply praise and thank God for all He provides including the offer of salvation.
