

Creation Prayer Requests for September 2020. Thank you for praying!

Tuesday, September 1 - Pray for **Tina Baine** who runs the resource center for CSAA.

Wednesday, September 2 - **Sharon Foreman's** (CSSI) prayer needs are for health, strength, and wisdom to respond to the many opportunities about her to share creation truth.

Thursday, September 3 - Praise be to God for the many new discoveries in biology that point to intelligent design. Pray that as they are shared with family, friends, and neighbors that a great awakening of faith in Jesus as Creator and Saviour will sweep across our land.

Friday, September 4 - As students return to various education institutions this fall, pray especially for Christian schools and colleges as they resume classes and try to return to a "normal" learning and God honoring environment.

Saturday, September 5 - Pray that if the Lord tarries, he will raise up new and younger workers to assume some of the ministry roles in creation and other Christian ministries.

Sunday, September 6 - Pray that the programs of the many Bible Colleges and Seminaries will be able to resume so that more workers can be trained to effectively share the Gospel message with our needy world.

Monday, September 7 - **LABOUR DAY**. Some wonder why Labour Day is a day OFF work for many? Let us use it to remember and honour all those who do the work God expects us to do.

Tuesday, September 8 - Pray for the continued production of the Canada-produced TV show Creation Magazine LIVE! and other videos projects now in the planning stages at CMI-C.

Wednesday, September 9 - Pray for **Alex & Velma Scharf**, the main driving force behind CRM.

Thursday, September 10 - Pray for EYM as they plan for their annual fall banquet and fund raiser.

Friday, September 11 - Remember **Don Hamm** (CSSI) in prayer today.

Saturday, September 12 - Pray that the creation apologetics training with **Mike Riddle**, which got rescheduled from March, will be a blessing to those who attend. (CSABC)

Sunday, September 13 - Pray for the upcoming USA elections that the men and women of God's choosing will be elected to lead in these difficult days.

Monday, September 14 - Pray for **Laurence Tisdall** and his wife **Lucie** (CSAQ) as they are settling down in their new home.

Tuesday, September 15 - Pray God's anointing on Calvin Smith who heads up AiG-C. He says, "We need more donors to sustain and grow this ministry." Pray to that end.

Wednesday, September 16 - Pray for a continuing great impact from the books and videos produced by **Roger Oakland** (UTT) over the years and still being distributed by Lighthouse Trails and others.

Thursday, September 17 - "Please continue ongoing prayer for **Ian Juby** and his plans for 'Genesis Week' (a TV series) and his other projects." (CORE)

Friday, September 18 - Ask God to put a hedge of protection and blessing around the workers and work of ICR.

Saturday, September 19 - Pray for wisdom, strength and help for those involved in the various Creation ministries, and that many people will avail themselves of the excellent resources that are accessible in these days.

Sunday, September 20 - Pray that in these unusual times, when people are schooling their children at home, they will use this opportunity to ground their families in creation information and truth.

Monday, September 21 - Pray that **Steve Lockert** (CSSI) will again have many opportunities to share his great creation talks in churches, school classrooms, and other venues.

Tuesday, September 22 - Thank God for scientists who are studying God's world and seeking to understand how it operates from a 'created,' not an 'evolved' perspective. Pray for more men and women to join this committed group.

Wednesday, September 23 - Ask God to protect, direct, and strengthen **Dr. Gary & Mary Parker** as they continue in creation ministry.

Thursday, September 24 - Ask God to guide CSAQ's board members as they work on renewing their web site.

Friday, September 25 - Pray for wisdom for the CSSI Board as they consider new ministry opportunities and methods.

Saturday, September 26 - As part of the Hallonquist Memorial Fund, CSABC is able to donate Creation resources to schools. Pray that these materials will be used by the students and bear manifold fruit in their lives.

Sunday, September 27 - Pray that churches would be open to scheduling CMI speakers, once they are able to do so, so that congregations can be blessed by the faith building messages that CMI brings.

Monday, September 28 - Because of Covid-19, the 25th and final Creation Celebration which was planned for last April had to go to an online format. Thank God for those who still took part in it. Pray that the Celebration concept will "go to seed" and find fertile ground in other hearts and minds, resulting in more young people being taught Biblical truth in the future. Pray that the Word that has been memorized over the years will bring forth a rich harvest.

Tuesday, September 29 - May God continue to bless and use **Dennis Siemens** (CSSI) and his family in their service to our wonderful Creator and Saviour.

Wednesday, September 30 - Give praise to God for the excellent testimony of the created world as revealed by the good research work published in *Acts & Facts*, *Creation*, and *Answers* magazines.
